

Mangrove Restoration Forum

Moderator | Roy R. "Robin" Lewis

Introduction and Review of Past, and Present Opportunities

Jorge Rey | Ron Brockmeyer | Melinda Donnelly

The Rehabilitation of Impacted Wetlands in the Indian River Lagoon, Florida

Nicole Cormier

Using Surface Elevation as a Tool to Assess Functional Equivalency after Mangrove Forest Restoration

Roy R. "Robin" Lewis III | Laura L. Flynn

The Rehabilitation of Impacted Wetlands in the Indian River Lagoon, Florida

July 18-22, 2016 | St. Augustine, FL, USA

An international discussion on the causes and consequences of mangrove ecosystem responses to an ever-changing climate.

UF | IFAS
UNIVERSITY OF FLORIDA

**MANGROVE
RESTORATION
FORUM**

**MODERATOR:
Roy R. “Robin” Lewis III**

JULY 19, 2016

**PART 1: The Past - Lessons
Learned –Lewis et al.**

**PART 2: The Present – Large
Scale Rehabilitation – Rey et
al.**

**PART 3: The Present –
Assessing Functional
Equivalency –Cormier et al.**

**PART 4: The Future - Lessons
Applied –Lewis et al.**

JULY 19, 2016

**PART 1: The Past - Lessons
Learned From 40 Years of
Successful Ecological Mangrove
Restoration/Rehabilitation (EMR)**
