Poster Display Dimensions & Preparation Details

- Posters will be limited to 4 feet high x 3 feet wide (1.22M high x .91M wide).
- Each poster will be assigned a number. This number will be given to you when you arrive at conference registration.
- We will place a 4-inch x 4-inch (10.16cm x 10.16cm) number in the upper left-hand corner of your poster board.
- Poster presenters must use the display boards provided by the Conference. Poster boards are freestanding, contiguous, and presenters may not use their own self-contained displays. Due to space limitation, tables are not provided.
- Poster boards are covered with fabric, and posters can be affixed using either Velcro or ¾” long push pins. Tape is not permitted. We will give you a supply of Velcro to mount your poster.
- There is one formal session during the welcome reception when poster presenters will be asked to stand at their posters. You will be able to dine for the first hour of the reception, and then be stationed at your poster after that. (Please see Poster Itinerary below.)
