Dr. Liburd Biography,

Dr. Oscar Liburd is a Professor of fruit and vegetable entomology at the University of Florida. Before arriving in Florida in August 2001, Dr. Liburd was an Assistant Professor at Michigan State University from 1999-2001. His area of expertise includes IPM and organic pest management in small fruits (blueberries, strawberries, blackberries and grapes) and vegetables (leafy vegetables, cucurbits, tomatoes and peppers). Dr. Liburd received his PhD. from the University of Rhode Island in 1997. He has received numerous awards including the Entomological Society of America, Southeastern Branch award for “Excellence in IPM” and Florida Entomological Society award for ‘Entomologist of the Year’. He is also the past President for the Florida Entomological Society and has trained over 30 graduate students for MS, DPM and PhD degrees.
