

Poster Directory
2008 Working Forests in the Tropics Conference

Poster Number	First Name	Last Name	Organization	City	ST	Country	Poster Title
1	Diana	Alvira	University of Florida	Gainesville	FL	USA	From Researcher to Facilitator of Cooperative Learning: Donning Different Hats for More Effective Problem-Solving Research in Tropical Conservation and Development
2	Paulo	Amaral	Imazon	Belém		Brazil	Bridging the Divide: A Consortium Approach to the Multi-Scale and Multi-Dimensional Challenges of Sustainable Community Forest Management in the Brazilian Amazon
3	Simone	Athayde	University of Florida	Gainesville	FL	USA	Developing Scientific Research through Collaboration in Community-based Projects Among Two Indigenous Peoples in the Brazilian Amazon
4	Ana Carolina	Barbosa de Lima	Entropix Engenharia	Piracicaba		Brazil	Forest Certification Impacts on Community Forest Management in Brazil's Western Amazon
5	Wendy-lin	Bartels	University of Florida	Gainesville	FL	USA	Supporting Learning Platforms for Participatory Land Use Planning and Management Among Participants of PROAMBIENTE
6	Simone	Bauch	Imazon	Belém		Brazil	Harnessing Rural Radio Networks for Working Forests
7	Omaira	Bolanos	University of Florida	Gainesville	FL	USA	Identity and Land: The Twofold Dimension of Indigenous Peoples' Struggles to Contain Pressures on the Amazon Forest in Santarem, Brazil
8	Jay	Bost	University of Florida	Gainesville	FL	USA	Participatory Native Fruit Tree Improvement
9	John	Browder	Virginia Tech	Blacksburg	VA	USA	Rebuilding the Brazilian Rainforest
10	Renee	Bullock	University of Florida	Gainesville	FL	USA	An Analysis of Community Based Forest Management in the East Usambaras, Tanzania
11	Alicia	Calle	Yale University	New Haven	CT	USA	Changing Attitudes: The Key to Promoting the Adoption of Silvopastoral Systems in Quindío, Colombia
12	Andrea B	Chavez	University of Florida	Gainesville	FL	USA	Land Conversion in Southeastern Peru: A Socio-Spatial Study of Land Use Land Cover Change
13	Pedro	Constantino	University of Florida	Gainesville	FL	USA	Indigenous Collaborative Research for Wildlife Management in Amazonia: The Case of the Kaxinawá, Acre, Brazil
14	Rosa	Cossío	University of Florida	Gainesville	FL	USA	Forest Management by Private Small-Medium Forest Enterprises in the Peruvian Amazon
15	Maria	DiGiano	University of Florida	Gainesville	FL	USA	Predicting the Fate of Community Forest Management in the Face of Disaster: Reorganization and Resilience Within Forest Communities in Southeastern Mexico
31	Amy	Duchelle	University of Florida	Gainesville	FL	USA	Building Capacity for Tropical Biology and Conservation as Graduate Students Build Their Own
30	Edem	Ekpe	University of Central Florida	Orlando	FL	USA	Crop-raiding by Wildlife in Ghana, The Important Role of Uncharismatic Wildlife Species
18	David	Elliott	University of Florida	Gainesville	FL	USA	Connectivity, Resources and Governance in the Southwest Amazon: Can Communities Take Advantage of New Opportunities While Avoiding the Pitfalls?

2008 Working Forests in the Tropics Conference

Poster Number	First Name	Last Name	Organization	City	ST	Country	Poster Title
19	Edward	Ellis	Universidad Veracruzana	Xalapa		Mexico	Is Community Forestry More Effective than Protected Areas? A Comparison of Land Use/Land Cover Change in Two Neighboring Study Areas of the Central Yucatan Peninsula, Mexico.
20	Jean-Gael	Emptaz-Collomb	University of Florida	Gainesville	FL	USA	Maximizing the Relationship Between Researchers and Community Based Organizations
21	Lucas	Fortini	University of Florida	Gainesville	FL	USA	Watershed Modeling of Smallholder Timber Management in the Amazon Estuary
22	Gregory	Frey	NC State University	Raleigh	NC	USA	Perceptions of Silvopasture Systems in Northeastern Argentina
23	Gregory	Frey	NC State University	Raleigh	NC	USA	Relative Technical Efficiency of Silvopasture, Pasture and Forestry Systems
24	Timothy	Fullman	University of Florida	Gainesville	FL	USA	Impact of African Elephants (<i>Loxodonta africana</i>) on Trees in Chobe National Park, Botswana: A Spatial Analysis
49	Juanita	Garcia-Saqui	University of Florida	Gainesville	FL	USA	Are Community Based Natural Resource Management Programs Influencing Attitudinal Changes Towards Wildlife and the National Parks in Namibia and Botswana?
64	Daisy	Gomez-Silva	Fundação de Tecnologia do Estado do Acre-FUNTAC	Rio Branco		Brazil	Extractivism and Technology – A Factory in the Rainforest
25	Jaclyn	Hall	University of Florida	Gainesville	FL	USA	Does Forest Cover Mean a Forest? Floristic Comparison of Protected and Cardamom Agroforests in the East Usambara Mountains, Tanzania.
26	Shoana	Humphries	University of Florida	Gainesville	FL	USA	Are Community-Based Forest Enterprises Economically Viable? Combined Training and Participatory Research to Analyze Costs and Benefits for Two Cases in the Brazilian Amazon
27	William	Kanapaux	University of Florida	Gainesville	FL	USA	Livelihood Security and Natural Resource Management on Namibia's Kwando River
28	Christie	Klimas	University of Florida	Auburndale	MA	USA	<i>Bertholletia excelsa Bonpl.</i> Seed Removal in a Primary Forest in the Southwest Amazon
29	Christie	Klimas	University of Florida	Gainesville	FL	USA	Comparing seed production and regeneration of <i>Carapa guianensis</i> (Aublet.) in Two Forest Types in Acre, Brazil from 2004 to 2007
17	Christie	Klimas	University of Florida	Auburndale	MA	USA	Regeneration of <i>Carapa guianensis</i> (Aublet.) Seedlings in Two Forest Types in Rio Branco, Acre, Brazil
32	Laura	Kowler	University of Florida	Gainesville	FL	USA	Governance Mechanisms and Collective Action for Sustainable Forest Management: Social and Ecological Dimensions of Small Coffee Producer Groups in the Peruvian Amazon Basin
33	Flavia	Leite	University of Florida	Gainesville	FL	USA	The MAP Initiative: A Cross-National Network for Capacity Building in the Amazon
34	Marco	Lentini	Instituto Floresta Tropical	Belém		Brazil	Capacity Building to Increase the Adoption of Sound Forest Management Practices in the Brazilian Amazon
